Your complete Memory Care solution.

Memory & Company is the world's first Respite Hotel and Premium Day Program. We specialize in the health and happiness of families living with memory loss by providing the best care and support, whenever it's needed, with our Respite Hotel, Premium Day Program, or both.

Premium Day Program (the Clubs)

We help people slow down memory loss with our innovative cognitive and physical fitness, social and recreational programs, and therapies that focus on improving quality of life.

Our Members get the VIP treatment and spend the day at their Club being active and social, enjoying nutritious meals, and get pampered with personal care and nursing support by staff trained in Memory Care who cater to their every need.

Respite Hotel (the accommodations)

Looking for an overnight break from care-giving or something longer term? Memory & Company offers a Respite Hotel for anyone seeking only the best in Memory Care. Respite Hotel stays include full access to the Premium Day Program.

“Make it a place *anyone* would enjoy.”™

That's our mantra for every aspect of our Clubs.

Our beautifully decorated Clubs are fully accessible and designed specifically for people living with memory loss. No attention to detail was missed when it came to designing a space that our Members could navigate easily, and feel at ease regardless of their abilities.

Each Club offers an interactive gourmet kitchen, movie theatre, music lounge, recreation room, salon, hydrotherapy spa to assist with bathing, and a beautiful, secured outdoor lounge.

Services.

Memory & Company uses a holistic approach to memory loss. We provide safe, supportive, and judgment-free Clubs that focus on the strengths of each Member. We assist in slowing down the progression of memory loss by offering cognitive and physical fitness, recreational programs and activities that challenge the mind and body, as well as a social environment that assists in maintaining communication.

"You're not alone when you're with Company."TM

We support families through this journey and can advocate, educate, and connect you with resources and services that suit your needs. Our highly trained nurses, personal support workers and recreation therapists understand the challenges families face while living with memory loss. We are here for you.

Feel pampered at Memory & Company.

We want our Members to look and feel their best. That is why we offer spa, personal grooming, and outside services. Families and Members can say goodbye to making, getting to-and-from, and waiting for individual appointments. Services come to our Members, not the other way around.

“Memory & Company allows me to completely forget about the caregiving that I do for my mom... ..and it’s the only time that I’m not worried about how she’s doing.” -Siobhan (daughter)

“He loves it. They spoil him. He jumps up in the morning knowing he’s going to Memory & Company.” -Dorette (spouse)

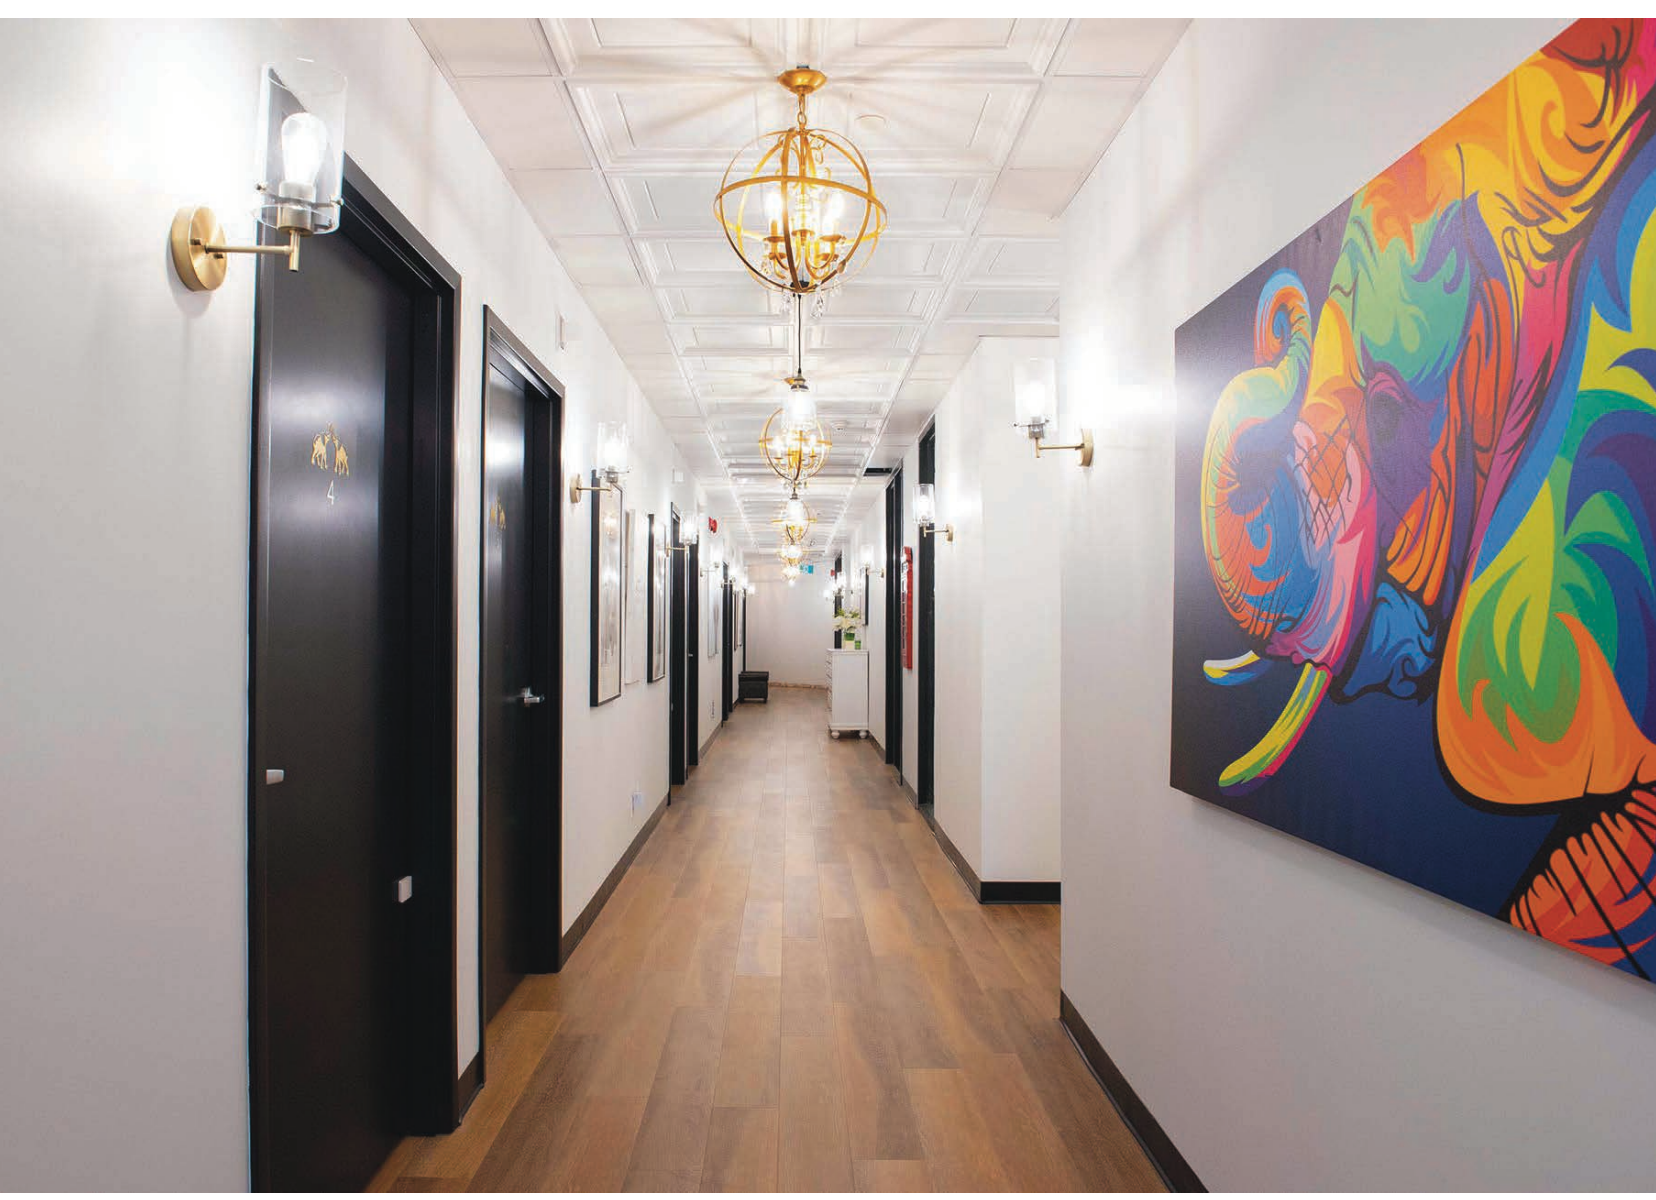

“We chose Memory & Company because it’s more of a spa & club-like setting - somewhere I would want to go and hang out - as opposed to a more institutional type of setting.” -Candis (daughter-in-law)

“I can honestly say that joining this Club is one of the best things I have done.” -Joanna (Member)

“Healthy foods lead to healthier minds.”

Having an Executive Chef means our Members and their families can have peace-of-mind that mind-healthy, wholesome meals are being prepared, fresh, in-house, with nutrition and dietary restrictions in mind.

Short-term & Long-term Accommodations.

Stay as short as three nights, to as long as you need (no maximum stay), in our upscale, all-inclusive Respite Hotel.

Stays include our internationally-recognized, Premium Day Program that focuses on slowing memory loss by offering cognitive and physical fitness, and the most innovative programs, therapies and activities available. We focus on keeping people active and engaged throughout their stay - never idle in their rooms.

We offer 24-hour supervision and monitoring by experienced Memory Care professionals with staffing ratios starting at 5:1 minimum. We include assistance with all personal care needs including bathing, housekeeping, laundry, medication management, nursing care, as well as gourmet meals prepared on-site by our Executive Chef.

Want to make your stay extra special? Get pampered with additional services from professionals who understand your needs such as spa, hair dressing, and massage service to name a few.
